

Critical Thinking Field Problems

Please submit by the end of the term, the last day of class, any 2 of the following field problems found in your text. Of course you may submit them at any time during the course of the term. Please ensure they are fastened together or submitted in one folder. Do not submit them individually. Recall, I do not mark them. Also, I do not return them to students.

1. The first field problem is found in Chapter 1, p. 26 (both 1 and 2). Ensure both tasks of the problem are completed. Please include urls of the blog.
2. Chapter 4, field Problem # 1 on page 160. Please include a copy of the story in your submission.
3. Chapter 5 pp. 199, field problem #2. You need to make sure that there are enough examples in the comment section of the on-line news story. Please include the online newspaper in your submission.
4. Chapter 8, any of the field problems on p. 337 could be done. Again submit sources with your work.
5. Chapter 9, p. 387, field problem #1.
